

## **CBSA 2015 Audit Priorities**

Canadian customs authorities have published a list of targets for customs verifications in 2015. Those who import commodities in the highlighted industry sectors should pay close attention.

If your company imports any of the products on this list, please give us a call. You will likely be targeted for a compliance audit. If you receive a call or letter from Customs, please contact Near North Customs Brokers Consulting Department [consulting@nearnorthcustoms.com](mailto:consulting@nearnorthcustoms.com) before you provide any information to Customs.
